- [Climbing](#)

If you would prefer to experience a Ski or Snowboard lesson, contact our Schools Coordinators.

GCSE or A-Level Guided Coaching Session Series – Only £39 per Student†

Your students will push the limits of their personal performance with one of our advanced GCSE or A-Level clinics. They can learn how to carve, improve their short turns and master a slalom course (all required elements of the GCSE & A-Level PE curriculum for skiing/snowboarding).

For **only £39 per student†**, your students can undertake a series of **skiing** or **snowboarding coaching sessions** designed to get them to the relevant standard to pass their GCSE & A-Level PE practical module. Each GCSE or A-Level coaching session series includes:

- **Free instructor diagnosis (to determine what level your students are up to)**
- **3 Weeks Guided Practice to improve technique - 1.5hr lift pass each week including a coach**
- **All relevant paperwork – risk assessments & GCSE or A-Level criteria check list signed by Chill Factor^e instructor**
- **Video Analysis**
- **Assessment**

Snowlife Awards

Snowlife Awards are available in both Skiing and Snowboarding for all ages for just £5 per person!

The Snowlife Awards are a 9 level scheme so that skiers and snowboarders can record their achievement and have clear targets to aim for. On passing the award, your pupils can buy a badge and a certificate to highlight their achievements because let's face it, it is definitely something to be proud of! Chill Factor^e can print these certificates with their own logo showing where you completed the award.
